HOW I SURVIVED MY “DISASTER”

In the book, Nathaniel must survive the battlefield using his wits. You may not have to deal with being in a war, but we all deal with our own “disasters” every day—from scary storms to forgetting homework. Illustrate and describe a time you overcame a disaster. Then give advice to other kids in that same situation!

I faced a "disaster" of my own when...

Illustrate what happened here:

How I overcame this challenge...

My advice if you are ever in
this situation is...
